“This venue was absolutely stunning! The ability to have an intimate and private space just minutes away from the freeway was spectacular. Everything about the venue was gorgeous and the ceremony being on top of those stairs with the sun gleaming in over the mountains was perfect.

But the star of the show was Jaclyn. I can't say enough good things about her. She not only made the entire event run smoothly from start to finish, but also guided us along the way with recommendations on timing, decorations, vendors, etc... Her and her staff are fantastic at what they do. I can't thank them enough for making our day so special. If I could give more than five stars I would!”
